## The wines of Clos Du Val

### Clos Du Val 2002 Cabernet Sauvignon Stags Leap District

“The single vineyard 100 percent cabernet sauvignon displays a characteristic dusty/earthy nose that Stags Leap is known for. Additional scents of blackberry and leather join in on the bouquet. Big flavors of black plums, cherry, chocolate and mocha combine on the silky frame for a sublime experience. The whiff of black truffles on the finish makes this wine a winner with grilled steak and truffled potatoes.”
