

Clos Du Val 2006 Chardonnay

EAST VALLEY
Tribune.COM

Serving metro Phoenix's East Valley region
May 6, 2008

Here's a wine that tastes far more luxurious than its price. The grapes come from a 180-acre estate in the Carneros region, where cool marine influences extend the growing season and forces added nuance, or "terroir," into the fruit. The wine is alive with concentrated citrus-peach aromas and flavors and some sweet toastiness from light oak fermentation. Chill and sip on its own.
