CABERNET SAUVIGNON

Clos du Val was born from a simple dream: to make the best Bordeaux-style wines in the world, and to do so outside of France. In 1972, after years of global exploration, founding winemaker Bernard Portet discovered his perfect site in the Stags Leap District. He named it "Clos du Val," or "vineyard within the valley." Now entering our third generation of family ownership, we are proud to produce strikingly elegant, enticingly fresh, and remarkably ageable wines.
